State Route 330 Connector to Eastbound State Route 210 Closed This Weekend

SAN BERNARDINO – The California Department of Transportation is closing the connector of southbound State Route 330 (SR-330) to eastbound SR-210 in Highland. The connector will be closed between 6:00 a.m. and 2:00 p.m. tomorrow, August 13, 2016.

The shoulder work is being performed in anticipation of a fog seal project that is scheduled for completion before the end of September. The fog seal work will be conducted by a moving closure. The slow lane may be closed during the fog seal to stage equipment and provide a safe work zone for crews.

Drivers are advised to continue westbound on SR-210 exit Highland Avenue and return to eastbound SR-210
